Volume 28

Published by the Senior Class

Aliquippa Senior High School

Aliquippa, Pennsylvania

As we close the doors of our high school days, we have partially fulfilled the goals of our "Impossible Dream." Only after we have "reached the unreachable star," shall we be able to fully complete our "dream." But the "un-reachable star" has its own significance—only in one's heart.

Our days at AHS, those many memorable experiences, will be used as a basis for the days to come. Our sheltered days of learning and working together will prepare us for meeting the outside world. Only after we have tasted this sweet bitterness will we be able to fully think back and appreciate the "best days of our lives."

"The Impossible Dream"

*"A man needs
To dream the impossible dream; . . .*

*To fight the unbeatable foe,
To bear with unbearable sorrow,
To run where the brave dare not go. . . .*

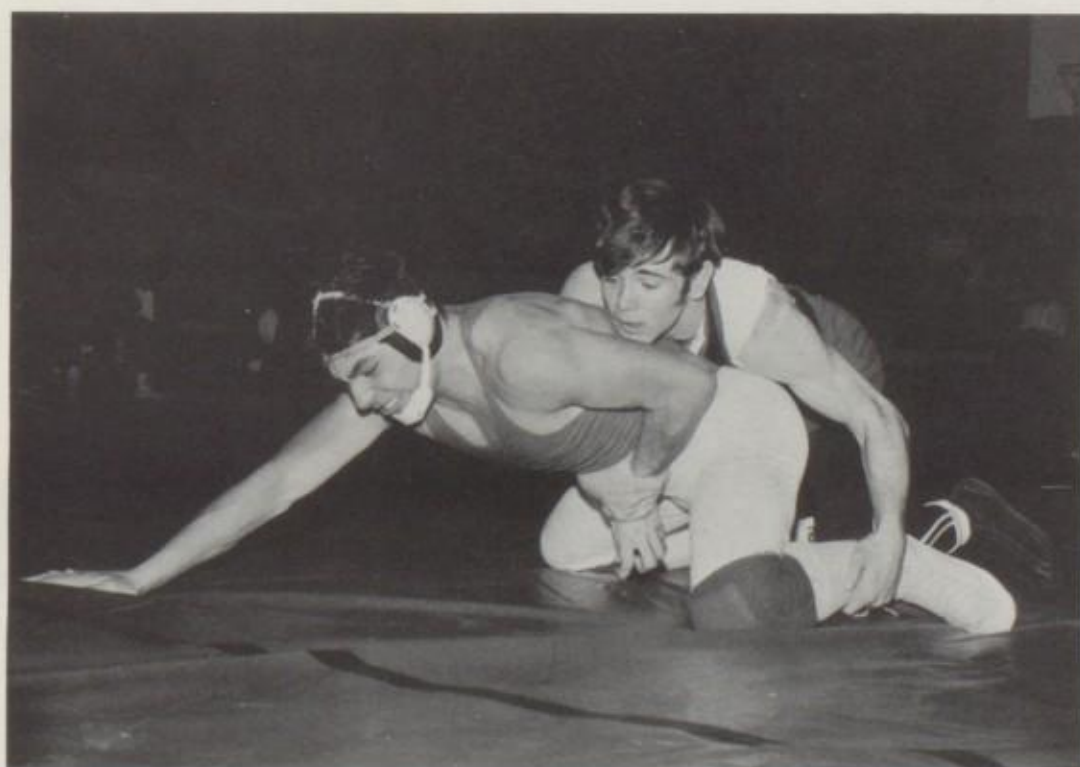

To right the unrightable wrong, . . .

To love pure and chaste from afar, . . .

To try when your arms are too weary, . . .

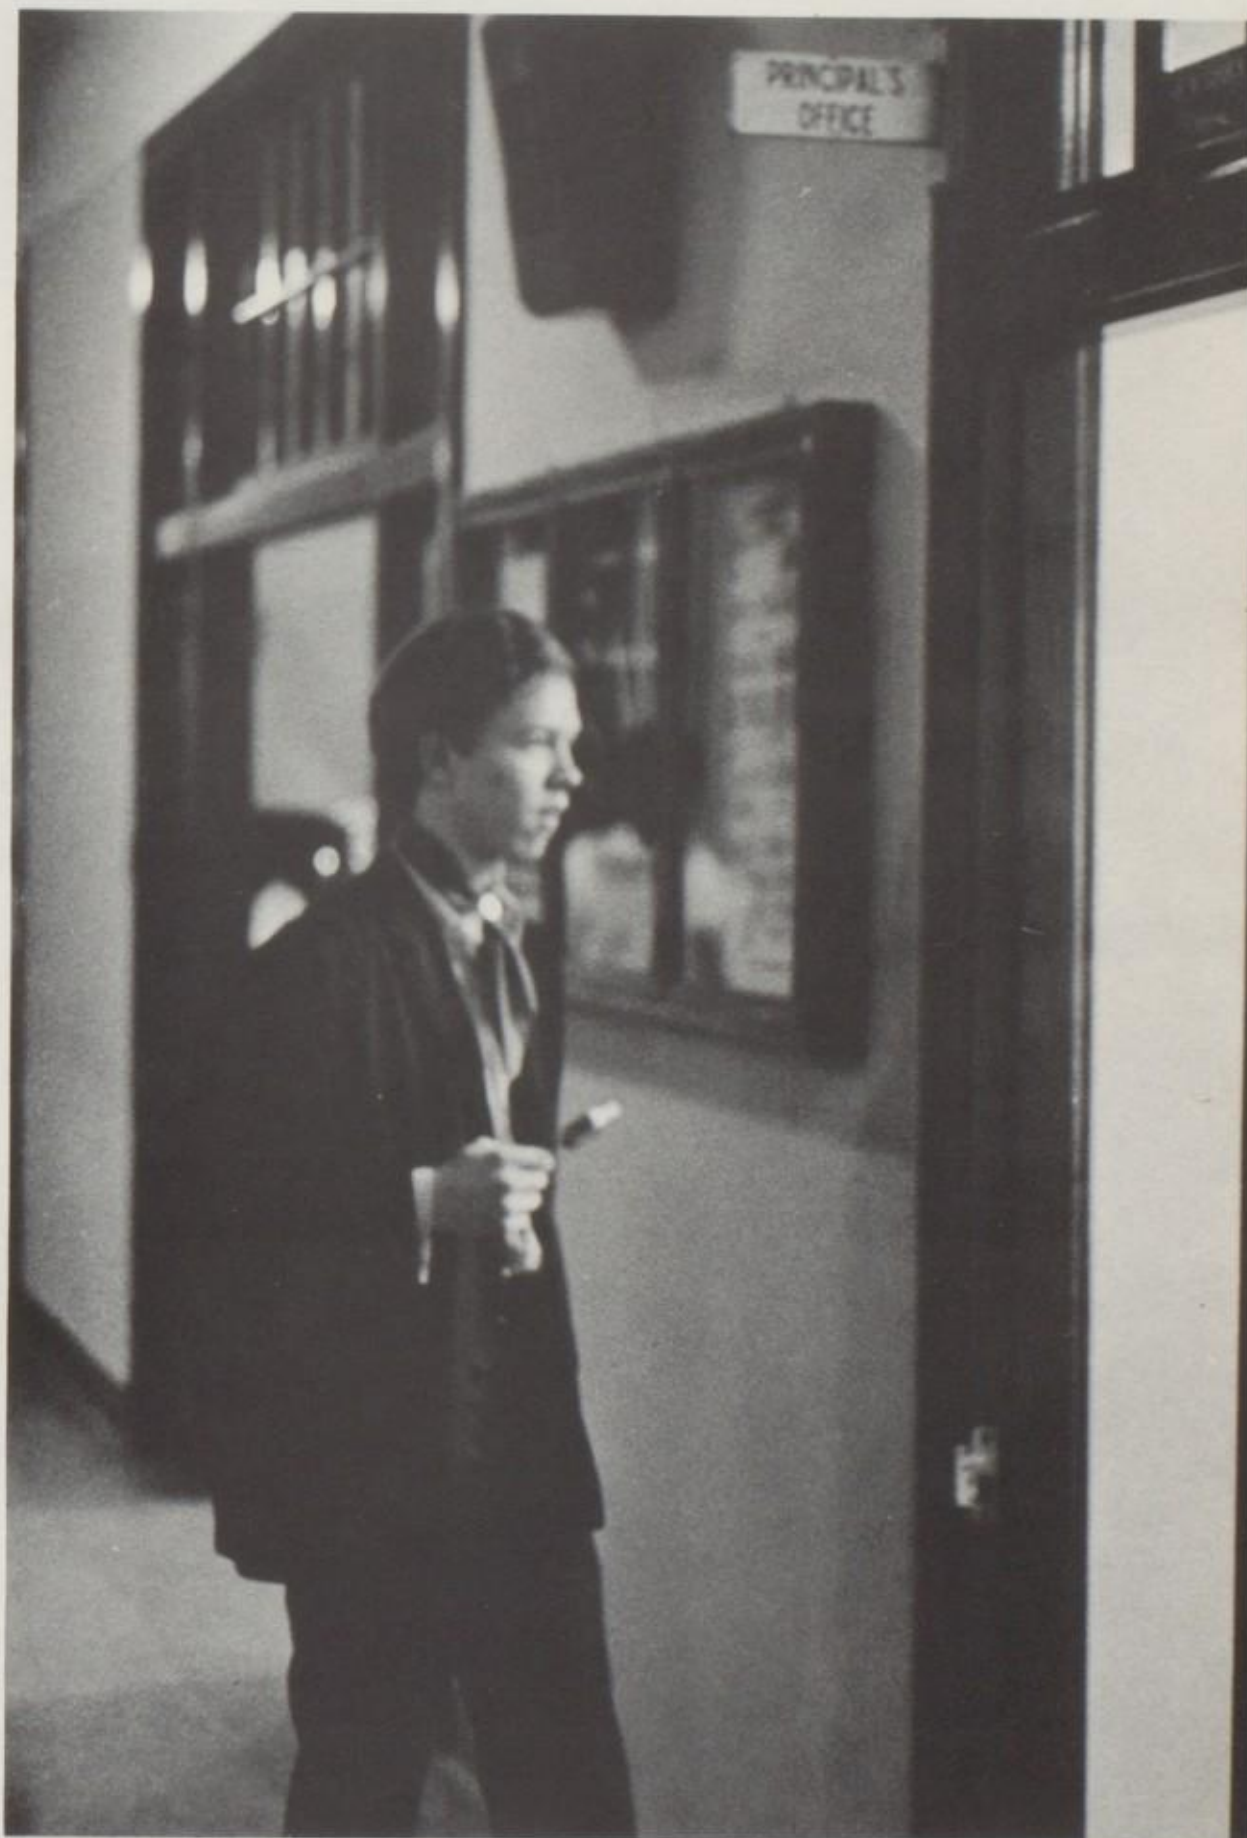

To reach the unreachable star! . . .

*This is my quest,
To follow that star,
No matter how hopeless,
No matter how far; . . .*

To fight for the right without question or pause, . . .

To be willing to march into hell for a heavenly cause! . . .

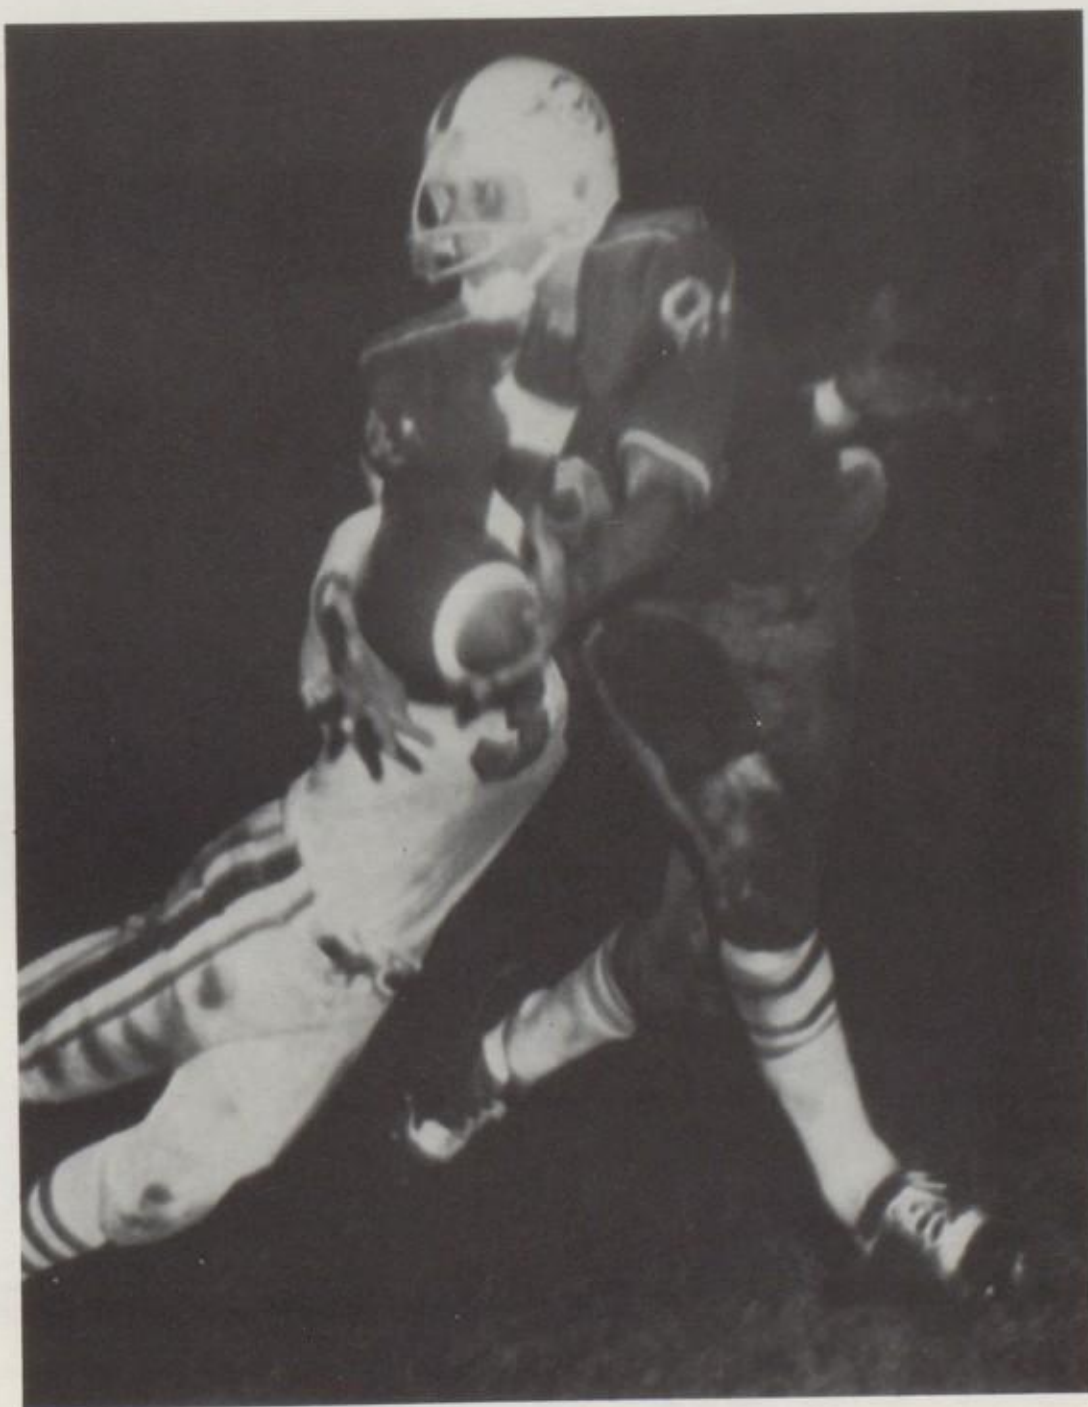

And I know if I'll only be true to this glorious quest, . . .

That my heart will be peaceful and calm when I'm laid to my rest, . . .

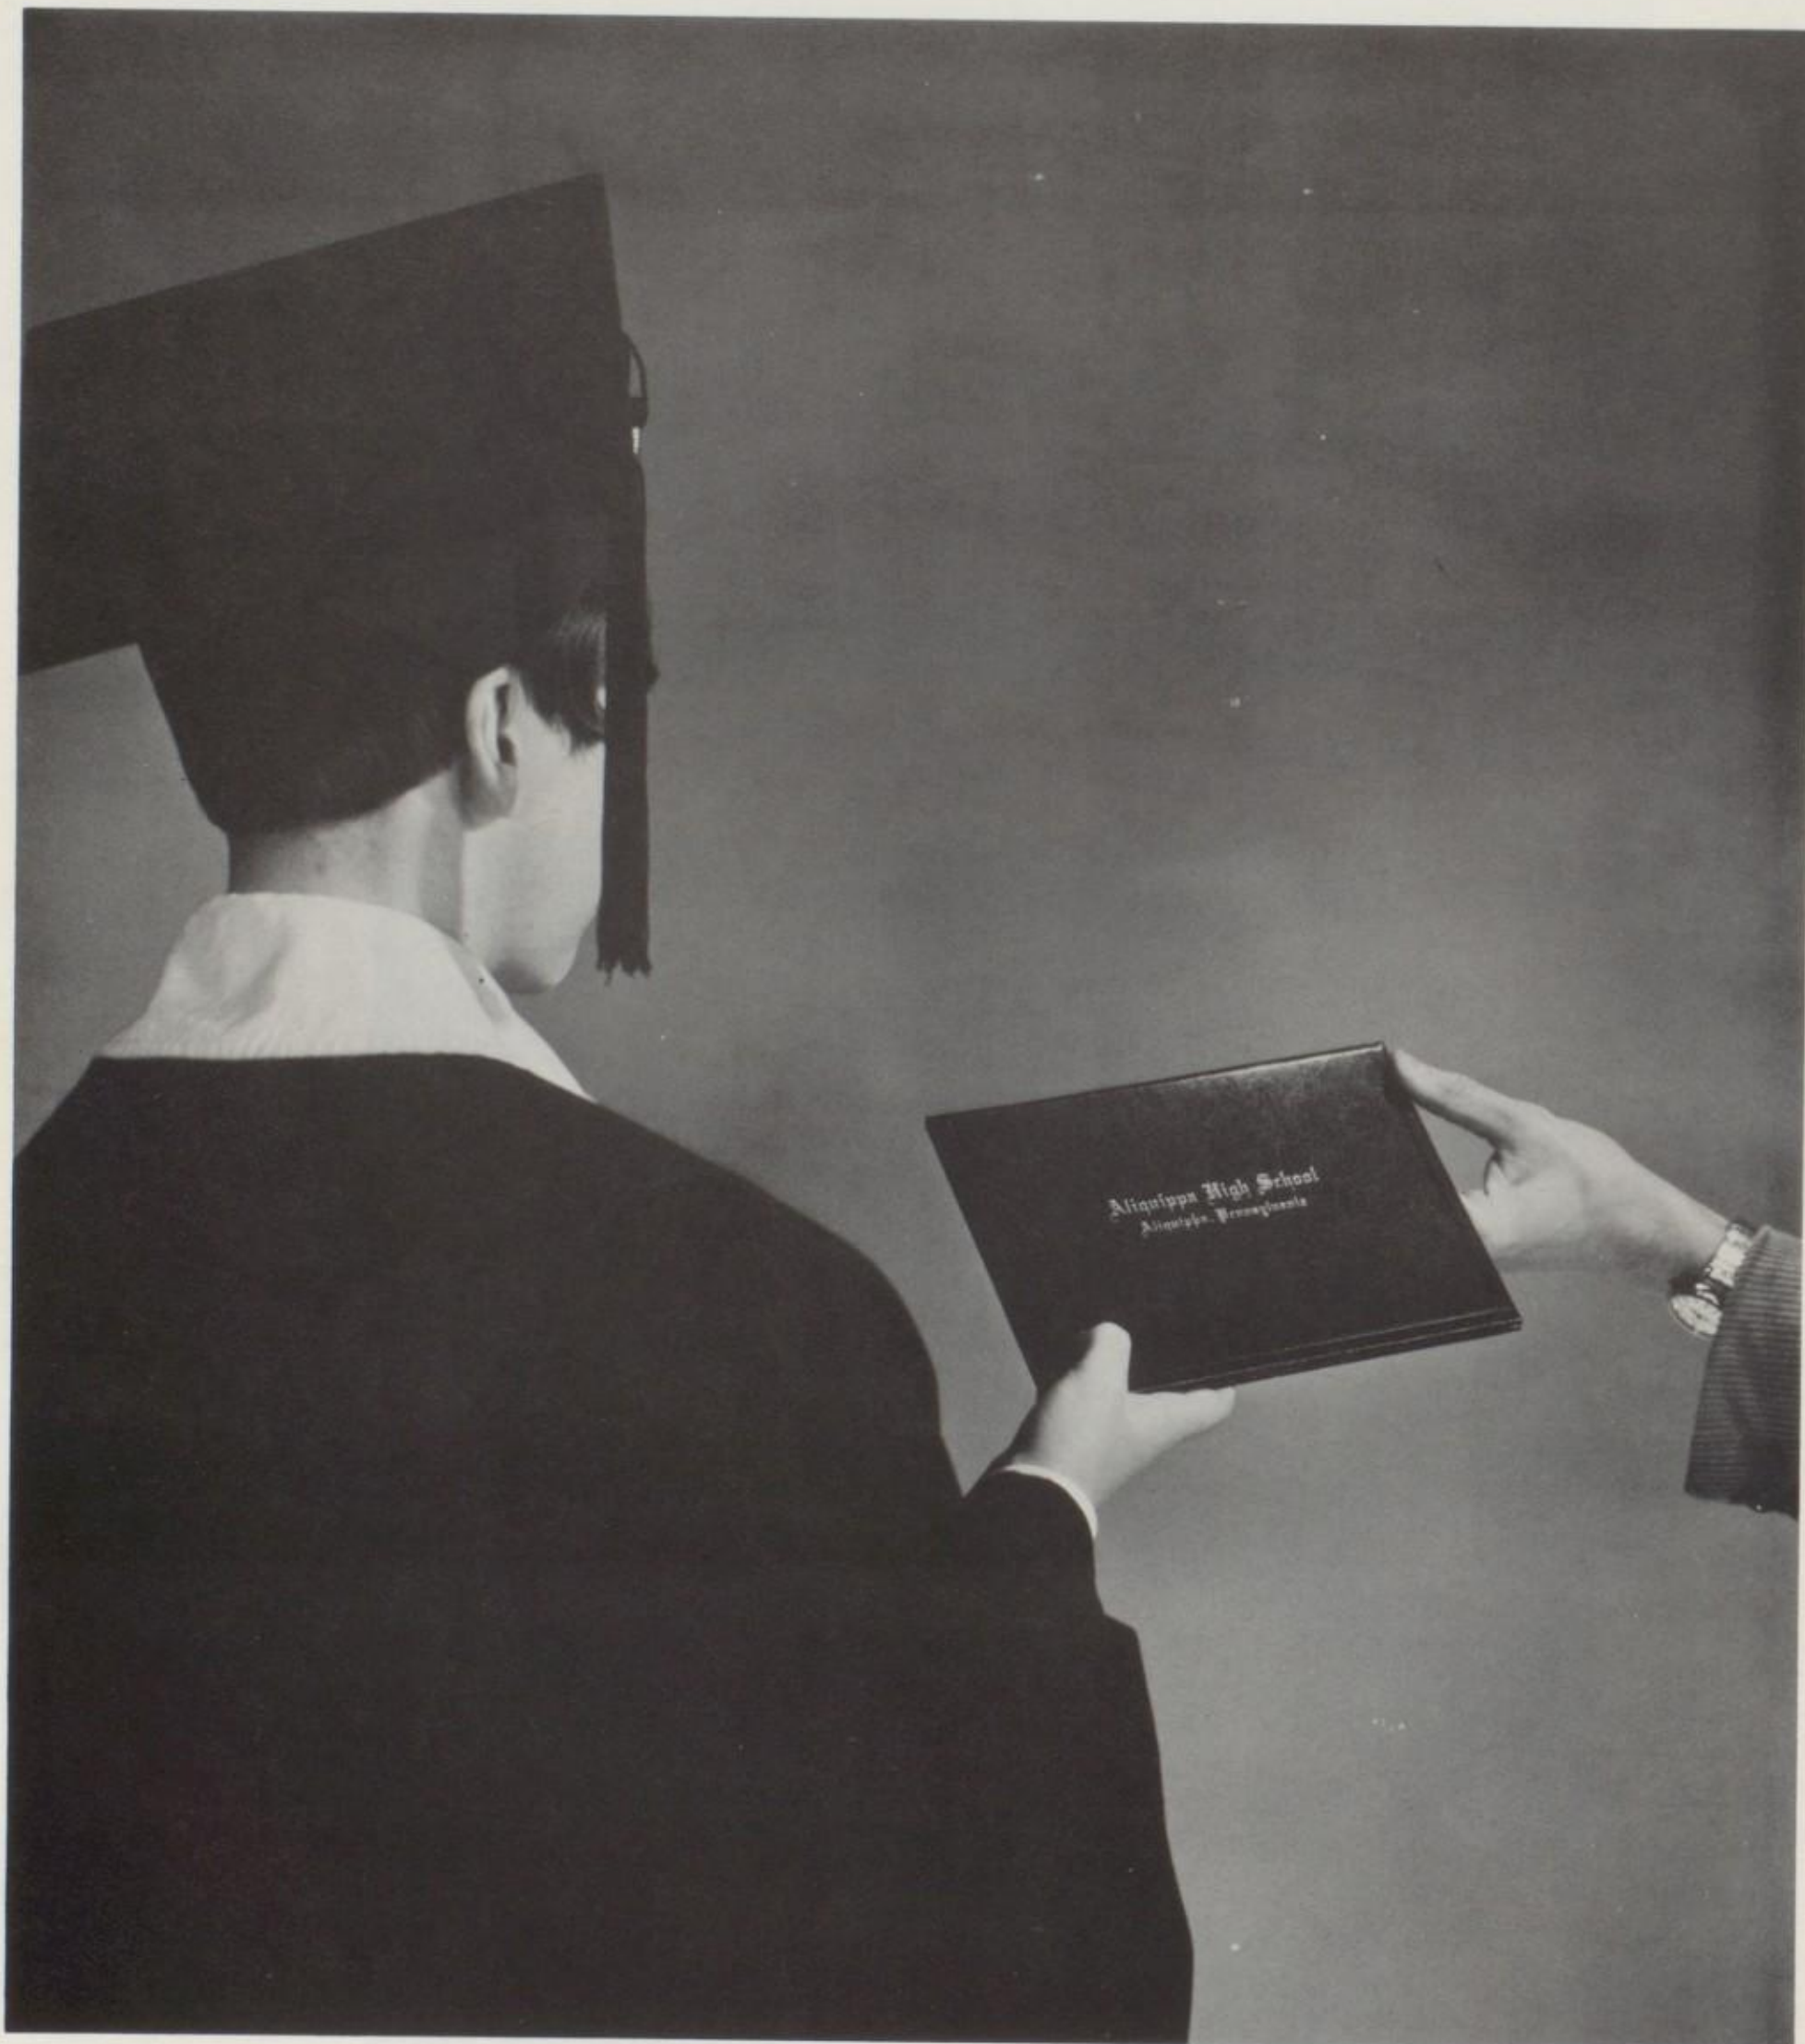

And the world will be better for this; . . .

*That one man, scorned and covered with scars,
Still strove with his last ounce of courage, . . .*

*To reach the unreachable star."**

**Lyrics from "The Impossible Dream", lyrics by Joe Darion and music by Mitch Leigh.*

As we entered Aliquippa High School for the first time we were young and afraid of the high school atmosphere, yet willing and eager to accept the challenges that awaited us. Our class was formed and with it grew a strong bond that would unite us as one. Our sophomore year brought many joyous and memorable moments as we shared in the activities at A.H.S. Anxiously, we joined clubs, participated in sports, and formed the mold that would shape our class for the next three years.

By commencing our junior year with ambition and anticipation, we quickly responded to the responsibilities ahead of us. After electing class officers we conducted a magazine-sales campaign and sponsored basketball programs. And then, while secretly smiling at one another, we bid farewell to the Senior Class of 1968 knowing confidently that we would start a new era at A.H.S.; one where the course would be unpredictable, the pace fast, and the spirit exploding.

Taking pictures started "Our Year" and a proud feeling was already beginning to build inside each of us.

We wore our class rings proudly, ordered graduation announcements, attended our banquet, Senior Class Play, Color Day, and the prom. We accepted defeats and tried to overcome them; we celebrated victories and strived to prolong them. There were good times we had together—but many tasks to do alone. We filled out college applications, arranged job interviews, prepared for finals . . . and compiled our personal list of memories of the days spent at A.H.S. These days will be forever cherished but never relived.

Commencement came too suddenly and we greeted its arrival with mixed emotions. Even though our DREAM had blossomed into reality we felt a hushed feeling in our hearts. Let the Class of 1969 say goodbye. Good-bye to the place which has been our home during the formative period of our lives. Good-bye to our dedicated teachers and dear friends made during our high school years. As we leave your doors, Aliquippa High School, a little of you will leave with us, and a little of us will remain locked within those doors; only to become a part of the living tradition of the "Red and Black". The past, kept sacred by glorious memories, must not interfere with our progress.

Juniors

Class of 1970

As we entered AHS for our Junior year, we expected the "friendly rivalry" from the Seniors and accepted it as a constant challenge. Joining in the activities was indeed thrilling but there were some strictly reserved for the Junior Class. We profited on a magazine sale, took charge of the basketball programs at home games, and selected rings. Our confidence grew as a class, as we together with our officers help planned the Junior-Senior Prom.

Our junior year offered many firsts. College Boards, meeting with college representatives and laying our foundation for the future were among our experiences. Yes, our junior year was inspiring and now we look forward to the future—knowing that the last two years of experiences will serve as guide lines to a successful senior year. "May our spirit never die."

Sophomores Class of 1971

Sophs enjoying themselves at CFH Haloween party.

As we entered AHS for the first time we felt shy and reserved. But we knew that this "big step" was the first of many to be taken in the next few years.

Our timidness soon faded as we were caught up in the many activities of high school life. We made new friends, joined clubs, and discovered new horizons.

We knew that much would be expected of us in the coming years and we prepared for this by becoming part of our school and all it stood for as we united as the Class of '71.

ACTIVITIES

ALQUIPPA SENIORS PRESENT "GET SMART"

1969 QUIPPIAN YEARBOOK STAFF

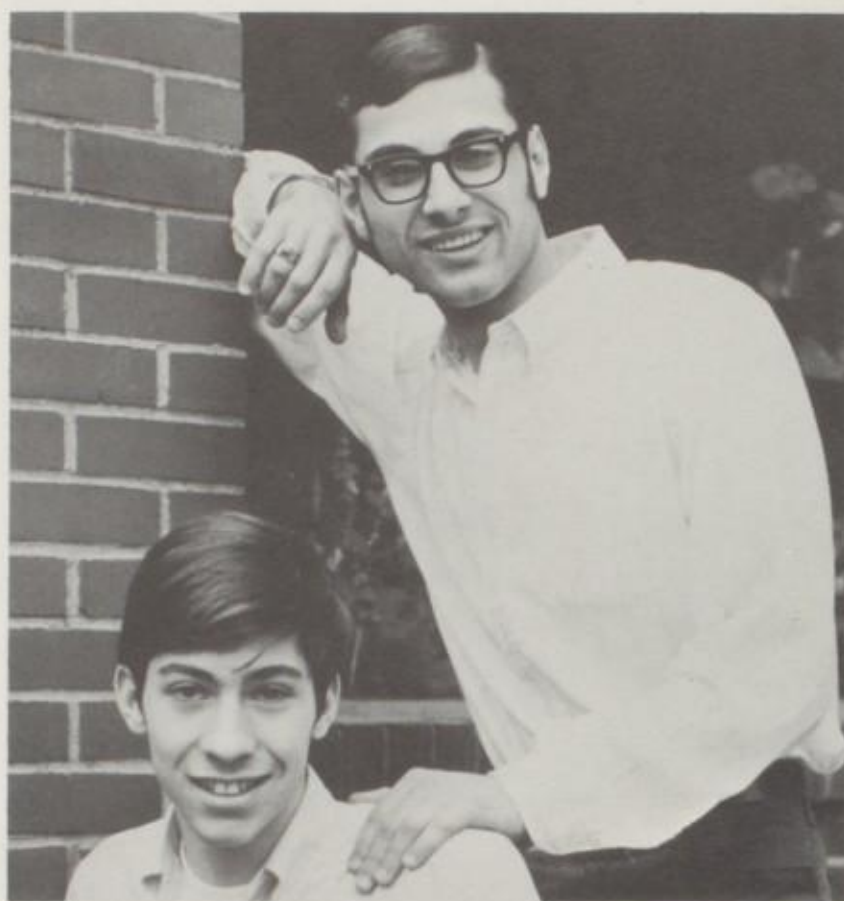

Retaining our individualism, we strived to produce the best yearbook in the history of our school. Through our hard labor (without any relaxation?) we worked and prayed until we met our final deadline—only to mail our last pages five minutes before the mail was shipped out! After we bid our last farewells at the 1969 Quippian Staff party, we christened the yearbook room which will remain a permanent fixture of yearbook staffs for years to come.

Co-editors-in-chief, Lynne Kakiou, and Debby Sherman.

Class Editor and Staff: (left to right), Larry Rebich, editor, Carol Dzurko, Debbie Matz, and Donna Stisak.

Business Managers, Larry Wilkoff (left), and Rocco Ferri.

To be a member of the A.H.S. concert-marching band is a full time job. At the end of August the band attended a week of ninety degree weather to prepare themselves for the upcoming football season. Added to the band this year were the Quipettes, a drill team which performed along with the band and majorettes at the football games. Some feature numbers played under the direction of Mr. Dominec DiVeechio this year were: "Mame", "Sabre Dance", and "Espana Cani".

The band also aroused enthusiasm at the pep assemblies and basketball games.

First row: (left to right), Leeper, Sabol, Stewart, D., Benedict. Second row: (left to right), McGuire, Doby, Palumbo, Baca.

First row: (left to right), Atkinson, Klanicki, Davis. Second row: (Left to right), Wilson, DePetro, Rosati, Buffalini, L., Donina, Capaldi, Kreson, Lalama. BAND

The band was called on to perform in many parades and activities. They were present at the Kennywood Parade Festival, Veterans Day Parade, and the Christmas Parade in Aliquippa. In early fall, they participate in the Kiwanis Band Festival with five other high school bands.

In April the Annual Spring Concert was held and many talented performers were evident. The success of the evening was well worth the hours of preparation the band endured. No one can doubt the band is a vital part of AHS.

BACH CHOIR

The members of the Bach Choir, under the direction of Mrs. Rose LaSala, learn to develop an appreciation of music through the delightful hours of participating in the many aspects of choral work.

The Bach Choir is called upon to perform at various school functions including NHS induction, commencement, and special programs. This year the Bach Choir delighted many travelers at the Greater Pittsburgh Airport with their Christmas caroling. The Bach Choir also presents annual Christmas and Spring Concerts.

This year the Bach Choir presented their Spring Concert as a selection of hits from various Broadway musicals.

HI-Y

SPONSOR—MR. DONALD ADAMS

The Hi-Y opens its membership to all AHS boys. Throughout the year, members sold candy for a fund-raising project.

The Hi-Y sends members to Harrisburg to participate in the YMCA youth and government program. The club also distributes March of Dimes containers in the Aliquippa business districts.

Officers for the 1968-69 school year were: George Suder, president; Charles Hopta, vice-president; Vince Sessoms, secretary; Floyd Panella, treasurer; Bill Kovolenko, parliamentarian; Charles Patillo, chaplain.

TRI-HI-Y

SPONSOR—MRS. SARAH WHITEHEAD

Throughout the year the active members of the Tri-Hi-Y put forth efforts to help and aid the community in as many ways as possible. The induction of many new members was highlighted by a candlelight ceremony at their annual banquet in November.

Assisting president Lynne Kakiou were: Debbie Anderson, vice-president; Debbie Cribbs, secretary; Paulette Wilyot, treasurer; and Beverly Downing, chaplain.

Tri-Hi-Y officers.

QUIP SCRIPT

SPONSOR—MISS JOANN COCHRAN

Putting out a monthly newspaper is the goal of fifteen seniors and sixteen juniors in Journalism II & III classes. As well as the paper, the editorial staff also produces the daily "Aliquippa Report Card" column in the Beaver County Times.

The staff received the National Scholastic Press Association All-American Honor Rating for the second semester of last year. The award is customarily received in the fall of the year.

Editor-in-chief Andy Leheny is assisted by Elaine Hullis, news editor; Steffie Galovich, managing editor; Jackie Keber, and Poppy Roros, copy editors in the laying out and copy reading of the newspaper.

The other students fill various positions in the staff.

Quip Script staff members prepare for next issue of school paper.

Miss Adams discusses plans for '69 QUILL with editor Debbie Anderson.

QUILL

SPONSOR—MISS BELLE ADAMS

To gain experience in writing and to enjoy the opportunity of self-expression, the creative writing class published the 1969 Quill. The magazine contained poetry, essays, and short stories written by the students for their class work. Many of the writings were also submitted into various local and national contests.

The activities of the class for the year were: a field trip to the Historical Museum at Penn State Beaver Campus and to Old Economy and the Annual Poetry Awards Tea.

Assisting Miss Adams in Publishing the Quill were: Deborah Anderson, editor; Arnie Lebov, associate editor; Jackie Keber, business manager; Linda Pixler, associate business manager; Steffie Galovich, art editor; and Cheryl Goll and Rosalyn Manfredi assistant editors.

FIRST ROW: Dempsey, Sluzynsky, Roros P., Yanko, Purrachio, Mrkobrad, Gray, Downing SECOND ROW: Lowe, Pope, Jeter, Kicovic, Curtis, Houp, Mateash, Guiliani
THIRD ROW: Walls, Bolden, Vallic, Davis, Dercole, Bazmore, Lucas FOURTH ROW: Paul, Prigorac, Roros E., Brooks, Kennner, Marshall, Thorne, Williams, Pfeiffer.

ALPHA BETA KAPPA

SPONSOR—MISS PATRICIA PALMER

Shelving books and checking books in and out are only a few of the duties of a member of Alpha Beta Kappa. The making and selling of Christmas stockings and the decorating of a Christmas tree with mittens which is distributed to orphans are only a small number of the activities the club plans throughout the year. All members are trained aides in operating the high school library. Initiation of new members and the annual spring banquet serve as the highlights of the year.

Those who served as officers during the year were Toni Purrachio, president; Karen Mrkobrad, vice-president; Joanne Sluzynsky and Mary Ann Yanko, secretaries; Poppy Roros, treasurer; and Beverly Gray, historian.

FIRST ROW: Curreton, Fox, Curtis, Purrachio, Slappy, D'Antonio SECOND ROW: Harvan, De'Salle, Guiliani, Compton, Pink, Crute, Thornton, Martin THIRD ROW: Tarquinio, Dercole, Laurito, Batvinkas, Dye, Meyers FOURTH ROW: Bivins, Yanko, Delon, Lowe, FIFTH ROW: Varosky, Paul, Roros, Pfeiffer, Lucas, Toth

JR. RED CROSS

SPONSOR—MRS. LYDIA RUFF

With the aid of Toni Purrachio, president; Bernell Slappy, vice-president; Sandy Curtis, secretary; and Becky Fox, treasurer, the thirty-four members of the Junior Red Cross made holiday favors for various hospitals. Filling disaster kits and holding the annual National Red Cross Drive were some of the other activities conducted during the year.

In December, the club hosted the meeting for schools in the county. To end the 1968-69 school year, the club held a party for its members.

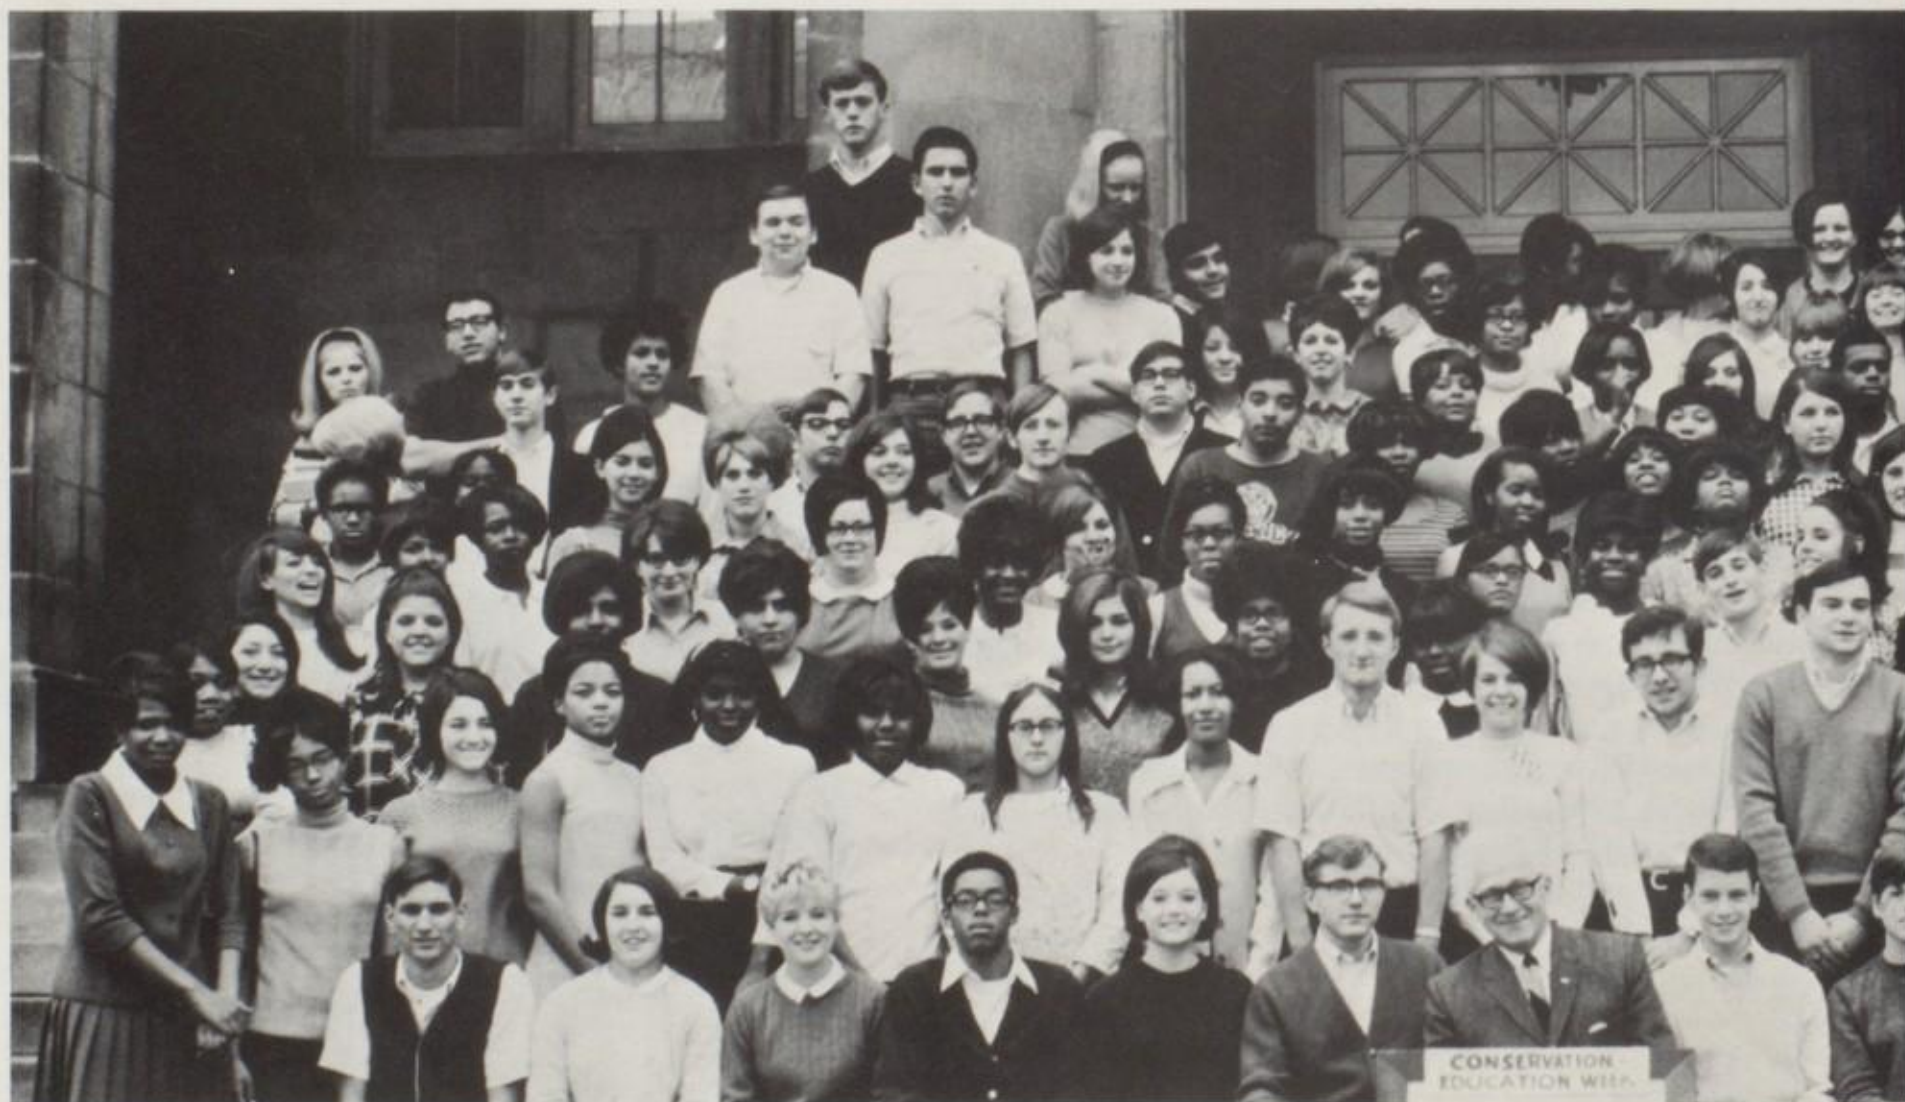

The Bullentin serves to inform JRC members of coming activities.

CFH

Mr. Lawrence F. Blaney
Sponsor

With a total membership of two hundred and ninety-one, the Conservation, Fishing and Hunting Club was constantly active. Striving for good conservation, the club worked on the Stream Improvement Project at Traverse Creek in Raccoon State Park. They also cleared the hiking trail and worked on watershed control while at the park.

To raise money the club sold Christmas Trees and Easter Candy. Their activities of the year included a Halloween and Christmas Party, Ice-skating Party, distributing gifts to the Aliquippa Hospital, and their Senior-Parents Dinner.

Serving the club were Don Drevna, president; Dan Hopta, vice-president; Linda Pixler, corresponding secretary; Debbie Cribbs, recording secretary; and Margie Hancovsky, treasurer.

The Players of the Week award was one of the many innovations brought to AHS by Coach Jeric and his fine staff. In each of the nine games one offensive and one defensive standout was chosen. These players were chosen on the basis of a unique grading system devised by the young and imaginative group of new coaches. On each play every player was awarded a certain number of points according to his performance on that particular play. These points were also used to determine the membership in another new innovation, the 500 Club. This club consists of the highly select group of players achieving 500 points or more throughout the season.

The Player of the Week was a goal established by the coaches to inspire the team to strive for individual perfection. Although only ten players achieved this goal, it did inspire the others to do their best at all times. In this respect the 1968 football team was one of the most successful teams in recent years.

Tim Drevna receives congratulations from fellow teammates during the Ambridge game after an unusual TD combination of Rosatelli to Sellari to Drevna.

"I challenge you to get good grades. I challenge you to work hard in the off-season. I challenge you to be a fine representative of Aliquippa High School, and of the community. I challenge you to have the mental discipline needed to be a champ. I CHALLENGE YOU TO HAVE THE SPIRIT OF THE CLASS OF '69 AND OF IT'S FOOTBALL TEAM."—Richard Jeric, head football coach, Aliquippa High School.

Although the record of the 1968 Aliquippa football team was not successful in terms of wins and losses, school and team success was evident in spirit and pride. Never before in the three-year history of the Class of '69 was the emotional student involvement as clearly visible and audible as in the pep assembly prior to the New Castle game. An electrifying current of emotion swept through the minds and hearts of all participants of the rally as "King Richard" Jeric stepped to the microphone. Respect was never as heartfelt as at that moment. May this team's donation to posterity be a donation of fine sportsmanship, school spirit, and pride. "May our spirit never die"

Ambridge got six on this short plunge.

Larry Lott, "work horse" of the Quip backfield, evades an Ambridge defender for a long gainer.

Bob Sellari, the Quips' "field general", receives strategic advice from Coach Jeric.

Jack Kozel closes in for the kill, as Hopewell's Dorsey Smallwood skirts left end.

Dwight Kenner stretches to out-jump New Castle's Wilbert Taylor at the opening tip-off.

Jesse Stewart takes one of his patented jump shots as George Suder, no. 20, closes in for the rebound.

George Suder passes off to play-maker John Marzlak as New Castle's "double-team" tactics have no effect.

John Marzlak drives past defender for an easy "two points."

John Thomas comes up with a loose ball amidst bewildered New Castle players.

"Juice" Kenner goes high above defenders for another basket.

After being the "disappointment of the section" in the first half of league play, the 1969 Aliquippa High basketball team came on strong and finished second behind the Farrell High Steelers. Paced by the all-senior starting lineup of Jesse Stewart, Dwight Kenner, John Thomas, George Suder, and John Marzlak, the Quips posted an overall 17-5 record.

The cagers started off the exhibition season on a high note with consecutive wins over Duquense, Gateway, and McKeesport. The Quips' first defeat was a decisive loss to Penn Hills who shot a blistering 61 per cent from the field. The cagers rebounded, however, with a win over East Liverpool. Aliquippa closed out the exhibition season by capturing the Quarterbacks' Club Holiday Tournament with victories over South Catholic and Monaca.

Behind the rebounding of John Thomas and the 21 points of Dwight Kenner, the Quips opened Section 3 play with a thumping defeat over Ellwood City. Hampered by a wrist injury to backcourt ace John Marzlak, the Quips lost to the New Castle Hurricanes, their first Section 3 loss. They bounced back with a strong win over Beaver Falls. Jesse Stewart's 26 points was the key factor in Aliquippa's eight point win over Sharon. Farrell then cut the Quips' win skein short with a 66-52 triumph. The cagers seemingly gained momentum with a strong win over Butler, only to lose it in a disappointing loss to Ambridge, despite the fine defensive play of George Suder.

The Quips posted a 6-1 slate in the second half of play, beginning with wins over Ellwood City and New Castle. Dwight Kenner and Jesse Stewart, each with 23 points, led the Quips in the fierce lashing of Beaver Falls. The cagers then captured their fourth consecutive league win with a 15 point Sharon victory. A close game with Farrell resulted in an overtime loss for the Quips. Wins over Butler and Ambridge ended the season.

John Thomas overpowers a New Castle player to grab a rebound.

1968 VARSITY VOLLEYBALL

The 1968 boy's varsity volleyball team, coached by Mr. Donald Adams, played a total of ten games against Hopewell winning four and losing six. Five games were played against Beaver, with the Quips winning two. The boys came out on top after playing Ambridge by winning four out of five games.

In the MAC Tourney of 1968, the first and fourth rounds were lost to Beaver, and the second and third were won against Midland and Ambridge.

The Quips split the WPIAL Tourney by winning the first round over Upper St. Clair and losing the second to West Deer.

1968 Spring Golf Team First Row: (left to right) Milanovich, Wadding, Mr. Uram, Kreisberg, Vedro. Second Row: Dzurko, Zakovich, Andrews, Maravich, Calabria, Paich.

The 1968 spring golf season ended on a losing note with the Quips winning only three of ten matches. The Quip linksmen beat Center once and Midland twice. The Quips dropped one match to Center and lost twice to Beaver, Hopewell, and Western Beaver. Coach Nick Uram's top man for the spring season was Bob Wadding with a 91 average. Lettermen were Walter Belas, David Kreisberg, Sam Milanovich, Bill Vedro, and Bob Wadding.

The putters on the 1968 fall golf team lost all their matches for a 0-10 record. The Quips lost twice each to Center, Northwestern, Western Beaver, Hopewell, and Beaver. The Quip lettermen for the fall season were David Andrews, Walter Belas, Mike Dzurko, John Maly, and John Stauffer.

Golfers Walter Belas, John Stauffer, and Mike Dzurko will practice anywhere—even on the school lawn.

'69 Quips Optimistic

With 16 ballplayers returning from last year's squad, Coach Mike Matta will be expected to improve on last season's 4-8 record. Since eight of those returning are seniors, Aliquippa may be looking forward to a promising season.

The 1967-68 season began with the Beaver Falls Tigers beating Aliquippa senior pitcher, Mark Fouse. After losing to Hopewell, the Quips rebounded with wins over New Brighton, Ambridge, and Freedom. They began to falter, however, and lost again to Beaver Falls and Hopewell. They recorded their final win by defeating New Brighton. Aliquippa dropped its final three games to Beaver, Ambridge, and Monaca.

Senior team members were Greg Gula, Alfred Vallot, Trivan Milanovich, Mark Fouse, Tom Mayconich, John Rice, Paul Mann, and Scott Baker.

First Row: Kostos, Evans, Hines, Lowe, Anderson, Clark. Second Row: Meyers, Ceccarelli, Moye, Glenn, Makita, Proakis, Dunn, Kolenda.

Despite their inability to win more than one meet, the 1968 AHS track team did manage to tie one and break four school track records.

On May 10, 1968, the records fell at the WPIAL qualifying meet held at the Hopewell High School stadium. Jack Hines broke the school triple jump record of 43'6" with a loft of 44'3". The discus mark of 138' was then smashed by Melvin Clark who whirled the disc 145'3". The Quip team of Tim Olack, Robert Lowe, Fernando Glenn, and Odell Littles sliced the 880 yard relay mark from 132.1 to 131.6 seconds. The same team also bettered by 7.7 seconds the mile relay record of 328.6 seconds. The 440 yard dash mark of 49.9 seconds, previously set by Matt Giles, was tied by Olack.

In the WPIAL meet at Mt. Lebanon, the relay team of Olack, Lowe, Glenn, and Littles placed fourth in the 440.

Aliquippa placed eighth at the Cannon-McMillian meet and sixth in the Tri-State Area Meet.

Even Aliquippa has its Ringside Rosie!

The keynote to the success of Aliquippa High's first wrestling team was the enthusiasm of the boys who participated in the sport. The team, captained by Bob Harris and Jim Ceccarelli and coached by David Strini, posted an admirable 7-4 record. Junior Dan Kovolenko finished the season undefeated. The top six wrestlers for the season were:

Dan Kovolenko	11-0
Jim Ceccarelli	9-2
Bob Harris	9-2
Dave Gregory	7-4
Don Nardick	6-3
John Kostos	6-4

Five seniors finished their wrestling careers for Aliquippa High School. They are Joe Gregory, Tom Gordon, Don Nardick, Skip Cervi, and Dave Colonna, Mgr.

Seven teams entered in Donald Adams' 1968-69 intramural bowling league conducted at Sheffield Lanes, Aliquippa. The seven teams consisted of two boys teams and five girls teams. The girls teams were given a handicap. Rose Ann Wilczewski was high scorer for the girls with a 159 average. The boys top scorer was Dario DiBenedetto with a 154 average. The top team in the league was the Quips captained by Bill Catley.

GIRL'S SPORTS

The Girls Varsity Basketball and Volleyball teams were re-initiated this year under the supervision of the new girls' gym teacher, Mrs. Donna Richey. The enthusiasm and support from the student body grew as the girls completed their season undefeated. The girls travelled to and hosted the following schools: Beaver (exhibition), Monaca, Coroapolis, Center, Freedom, and Monaca. In respective order, both games scores were, 53-21 (only one exhibition game played against Beaver), 48-16, 48-24, 41-16, 66-38, 49-27, 55-11, 70-38, and 83-27. An exhibition game was also played against the Women's faculty, with the girls' team defeating the women by a score of 34-23. This season's outcome proved that hard work, practice and determination overpowered a lack of past years experience possessed by other teams.

Girls' varsity volleyball

The girls' varsity volleyball team was organized at the same time as the girls' basketball team. Section requirements state that in order to compete in section play, each high school must be represented by both a girls' basketball team and a volleyball team. The volleyball schedule coincided with the basketball schedule, except for one additional game which was played with Northwestern Senior High School. The volleyball team, like the basketball team, remained undefeated.

Leading the Quips record of 12 wins-0 losses were seniors: Caroline Jackson, Mickey Faber, Peggy Baker, Suzi Demshur, Donna Stiscak, Joyce Davis, Patti Ciccone, and Paulette Wilyot.

Physical Education

"I knew I could do it!"

"Teaberry Shuffle!"

A new era of excellence through competition and hard work was the aim and goal of our new gym teacher, Mrs. Donna Richey. Under her inspiration, the girls' interests in all type of sports grew as the year progressed. A variety of sports proved to be successful, because individual abilities were highlighted by tumbling, intramurals, apparatus, softball, and calisthenics. Also initiated this year was a weight control class, where girls received individual help from Mrs. Richey.

Science emphasizes the development

With the broad science curriculum, students are enriched with the great wonders of science. Moving from microscopes to Bunsen burners, they are taught to examine each step of these processes and to understand the different methods used. Science courses include Biology I and II, Chemistry I and II, Physics and Senior Science.

In the Biology lab, students discovered how plants and animals live in their environment and the actual anatomy of animals through dissection. The unexpected is that which may be found in the chemistry labs where students perform intricate experiments. In physics, students develop their minds with logic and perspective.

In the vocational and industrial shops, boys are prepared for careers in electricity, auto-mechanics, carpentry, machines, and mechanical drawing.

Vocational studies occupy half the day of a shop student; the other half is spent in academic classes. The electric shop teaches boys the principal skills of electricity and wiring techniques. In auto-mechanics, the boys test their skills in the Plymouth Trouble-Shooting Contest in the spring. The carpentry shop students learn the construction of furniture and skills pertaining to the construction of houses. The use of drills, milling machines, lathes, and shapers is taught in the machine shop. Mechanical drawing brings out the students power of visualization and construction.

Solo time again, Ralph

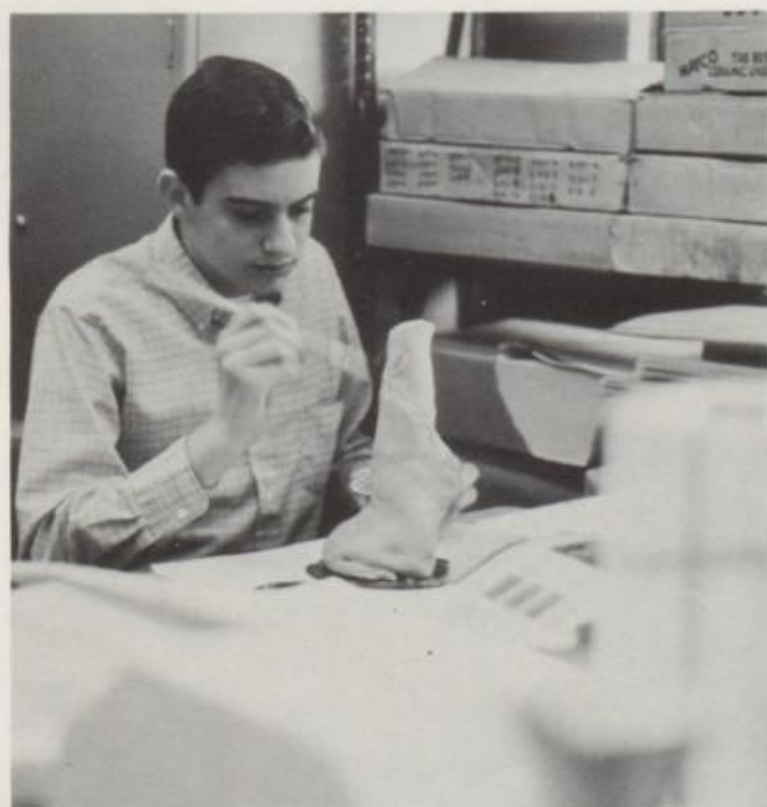

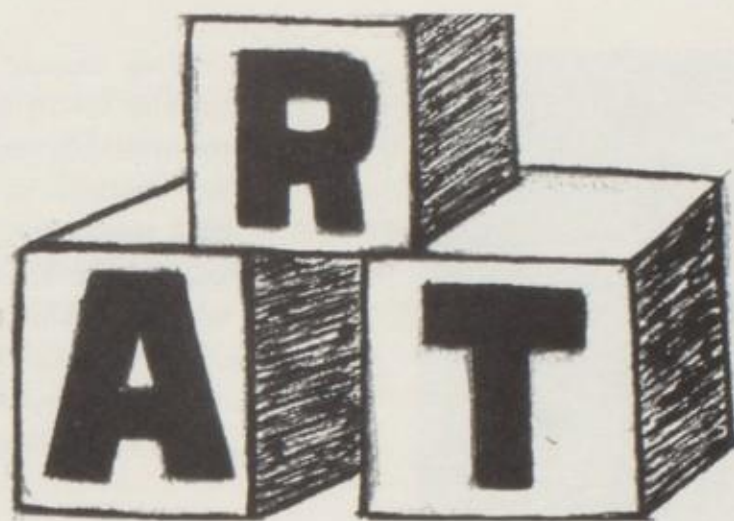

Do, Re, Mi, . . .

through music and art

For students enrolled in the art classes, a broad curricula of projects and assignments are constantly under way. Among special projects this year were the decorating of Santa's Headquarters on Franklin Avenue during the Christmas season, and the special displays for American Education Week. Other activities called for the art students to prepare posters for various ball games. Individual projects include mastering water colors and oils, commercial art techniques and ceramics. If ever there was a Picasso at AHS, he certainly would have been found in George Merges' art class!

Physical education program keeps students fit

Gym classes became unpredictable periods of surprise for AHS students this year. Mrs. Richey kept the girls physically fit with a program of exercises, mat football, volleyball, relays, and games, basketball, dual stunts, tumbling, apparatus, a weight control program and softball. A new addition to the school's athletic program was the formation of a Girls' Basketball and Volleyball team. Mr. Jeric led the boys' program with football, basketball, wrestling, and weight lifting.

The Drivers' Education Program in Aliquippa High School was expanded this year to include both sophomores and juniors. The 739 students who participated in the program received classroom instruction with films and textbooks before optional behind-the-wheel training. Two cars donated by local agencies were used in the program. They were available to students during study halls, after school, and during the summer.

Library and Audio-Visual aids learning

For the 1100 students at AHS, a visit to the library provided a welcome respite from daily classes and a quiet, comfortable place to read and study. The library's extensive facilities, including some 6,000 books and various magazines are under the care of Miss Palmer, the AHS librarian and sponsor of the Alpha Beta Kappa Library Club. The members of this organization helped her in managing the library. This year the library added a microfilm reader and a supply of back issues of major magazines on microfilm to its facilities.

Audio-Visual aids were used extensively in classrooms at AHS this year. Almost every teacher made use of educational films and a variety of projectors and tape recorders in the course of classroom instruction. These and all other audio-visual aids used in Aliquippa High School were under the care of Mr. Tatalovich, who acted as the coordinator of the entire aids program in the school system and often assisted teachers in the selection of classroom aids.

A program of one to three periods of basic studies in mathematics, civics, and English was incorporated into the day of selected students who participated in the special education course in Aliquippa High School this year. The remainder of the day was spent in Home Economics, physical education and vocational shop courses. Several students also took courses in art and music appreciation.

Student teachers receive experience at AHS

Eleven college seniors tested their teaching skills in Aliquippa High School this year. They taught subjects ranging from English II to Advanced Biology. Each student teacher spent a period of time observing the teaching methods of his cooperating teacher before taking over a particular class, and taught for periods ranging from eight weeks to a full semester. The attitude of the students to the practice teachers was one of enthusiastic acceptance and desire to make the first teaching experiences of these college seniors pleasant ones.

Cooks and custodians are necessary at AHS

What your mother has been telling you for years holds true when eating in the Aliquippa High School cafeteria: "I don't care how it tastes, eat it. It's good for you." Even so, the meals planned by the AHS dietician were inexpensive, nourishing and usually appealing to the some four hundred persons who purchased their lunches every day. The dietician was assisted by the cafeteria cooks who prepared and served daily meals in an appetizing manner.

The maintenance of the Aliquippa High School building was the responsibility of fourteen custodians who were busy daily and in the evenings sweeping, washing windows, and doing general repair work. Major projects completed this year were the painting of the auditorium and the installation of two new flights of stairs.

In the olden days

Wearing a ring on the forefinger signified
a haughty spirit;
On the middle finger, prudence and dignity;
On the "ring" finger, love;
On the little finger, a masterful spirit.
Today, on any finger, your Balfour class ring
symbolizes moments and memories shared with
your classmates. Treasure them always.

MARKS OF QUALITY

Today, J&L and other steel producers—proud of their skill as the pistol maker was of his—identify the beauty, durability, and quality of steel by including the Steelmark symbol in their national advertising and sales promotion. Leading manufacturers of steel products also use it to label their quality products. Look for the Steelmark when you buy.

We worked ourselves to the bone
Though you'd never know it.
To publish the greatest yearbook
Though it might not show it.

We've had fun working on this staff
And some of us went nutty.
But we've discovered one main thing
W O W !!!!!!!!!

We've blown our minds through our discussions
And learned so many skills.
But we've learned to say one main thing
I won't . . . Maybe I will!

And finally our work is done
No more tasks in line
We present this book proudly
To the CLASS OF '69.

Our Last Goodbye

It's FINALLY over.
The years of blood, sweat, and tears . . .
We've accomplished "our impossible dream".
And it has been almost impossible.
We've made it through the strains of
Trigonometry, and we've gone cross-eyed
trying to decode shorthand symbols. We
struggled through our weight classes in gym,
and
we surpassed all the obstacles that were thrown
before us in our courses.
The work has been trying.
But we can never forget the great times
The laughing together,
The serious moments and just plain helping
each other,
The clowning around—both in and out of the
classrooms,
The pep assemblies,
And the victories—whether in sports, in the
classrooms, or in our own hearts.
This is the end of our bantering with teachers
and classmates that we have had three years
to get to be friends with.
Memories of our being together as the Class of
1969 will remain in all of our minds as the
keystone to our futures.
Good Luck, Best Wishes, and May You Succeed
In Everything You Attempt.

The members of the 1969 QUIPPIAN staff wish to express their gratitude to the administration, faculty, community, and student body for their cooperation and support. We truly hope that this yearbook will preserve the memories and events of the 1968-69 school year at ALIQUIPPA HIGH SCHOOL.
